

Extracting the HIC from the HDX

A custom HIC export from HDX is needed to gather the specific columns needed for the budget collection tool and later data analysis tools. Log into HDX (<http://www.hudhdx.info/Login.aspx>), and choose the “HIC” tab. Make sure you are looking at the most recent HIC as noted by the “Date of the Housing Inventory Count”. Next to the date will be three options:

- Change Date (2016)
- Choose Columns
- Show more search options

Select “Choose columns”

When you select “Choose Columns”, a window opens prompting you to select the columns to export. Please select the columns as shown below (and only these columns).

Choose Columns

[Select All](#) [Select None](#)

<input type="checkbox"/> Starred	<input type="checkbox"/> Other Federal Funding: SSVF
<input type="checkbox"/> Row #	<input type="checkbox"/> Other Federal Funding: GPD

<input type="checkbox"/> Other Federal Funding?	<input type="checkbox"/> Last Update On
<input type="checkbox"/> Other Federal Funding: HUD-VASH	

OK **Cancel**

Hit “OK” and then “Export to Excel” and HDX will create an Excel file containing the specified columns.
